

INTRODUCTION TO SEWING

with Libby's Stitches

- This Introduction to Sewing course is delivered over 8 x 3hr classes.
- You will learn sewing machine basics – everything from maintaining a machine to sewing a small project and how to use these skills to, potentially, one day build your own business!
- The Course is suitable for learners interested in pursuing further training and employment in this area.
- Sewing machines will be provided but if you have your own machine, please feel free to bring it.
