

Learning to learn

Wanting to study but unsure of where to start?

This course is designed to introduce you to contemporary learning environments and build your confidence to begin a new path.

What will I learn?

Returning to study can be a daunting prospect for many. Education providers now use both face to face classes and online platforms in their teaching methods.

This course is designed to introduce participants to current learning and teaching methods and will combine face to face classes and online sessions to build confidence and understanding in readiness to going on to TAFE or University
